

BOT'S

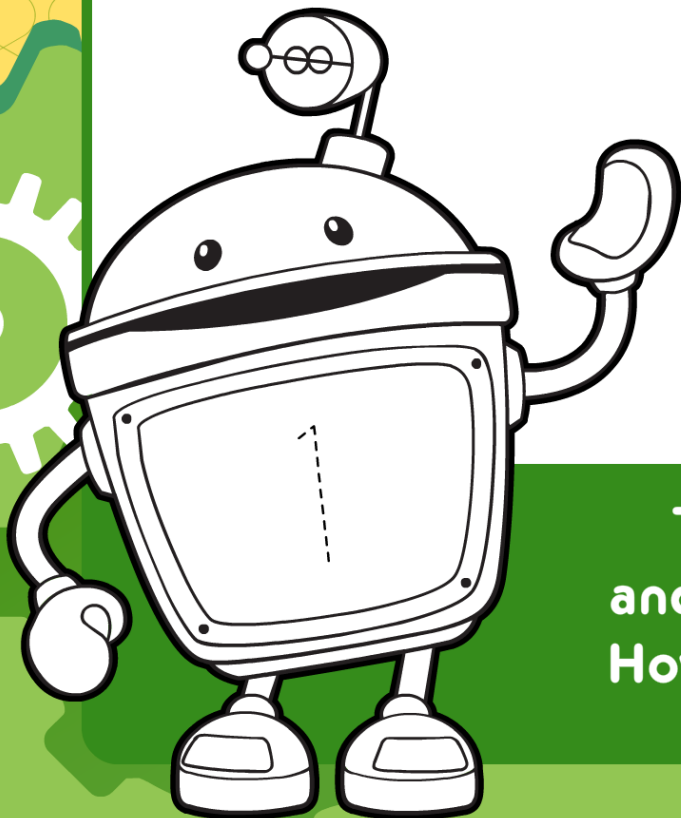

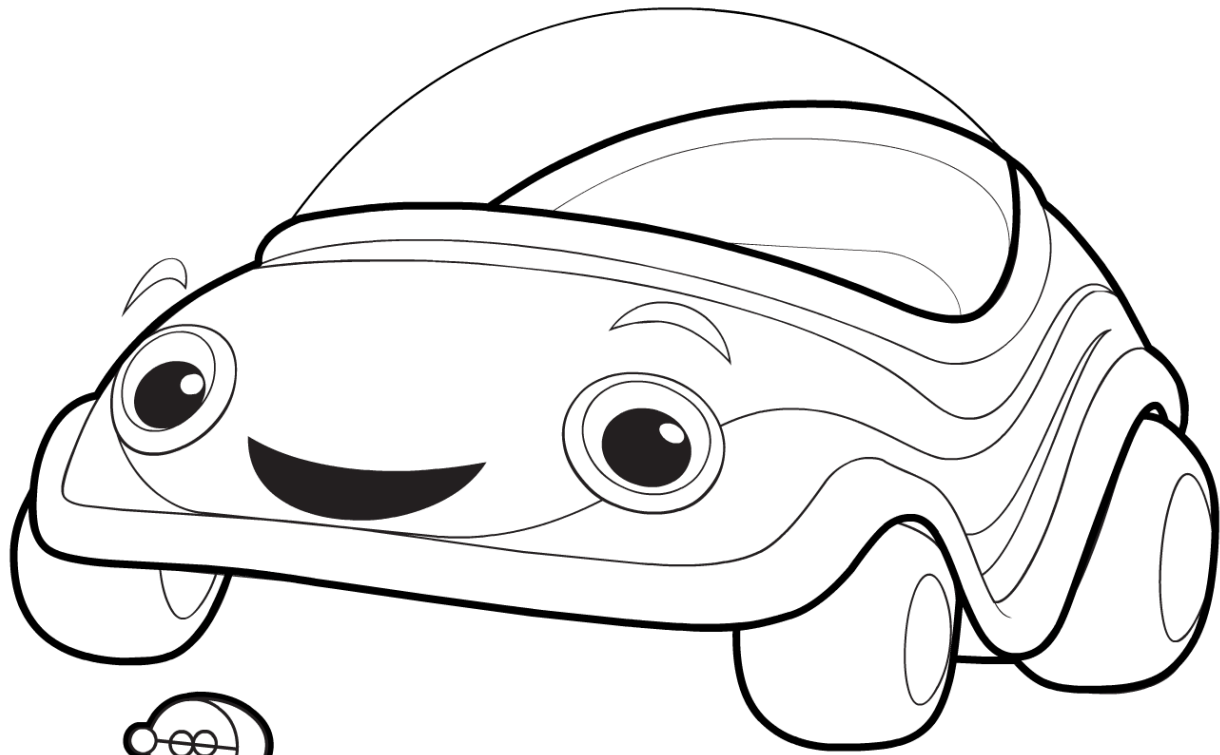

FIRST DAY
OF SCHOOL

COUNT & COLOR
BOOK

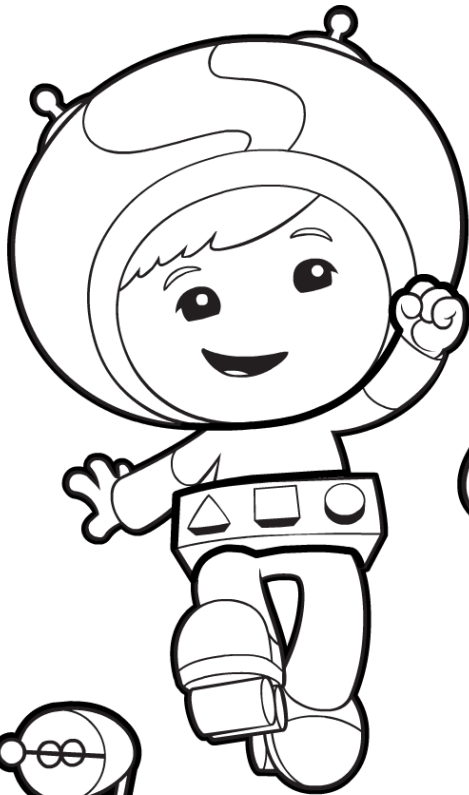

Let's use our Mighty Math Powers to count all the things we use at school. Then you can practice tracing each number on my Bellyscreen.

Let's go, UmiFriend!

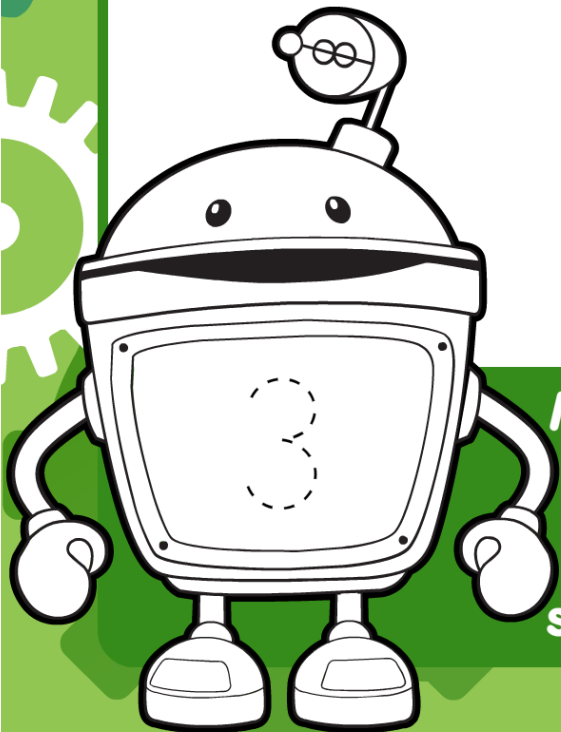

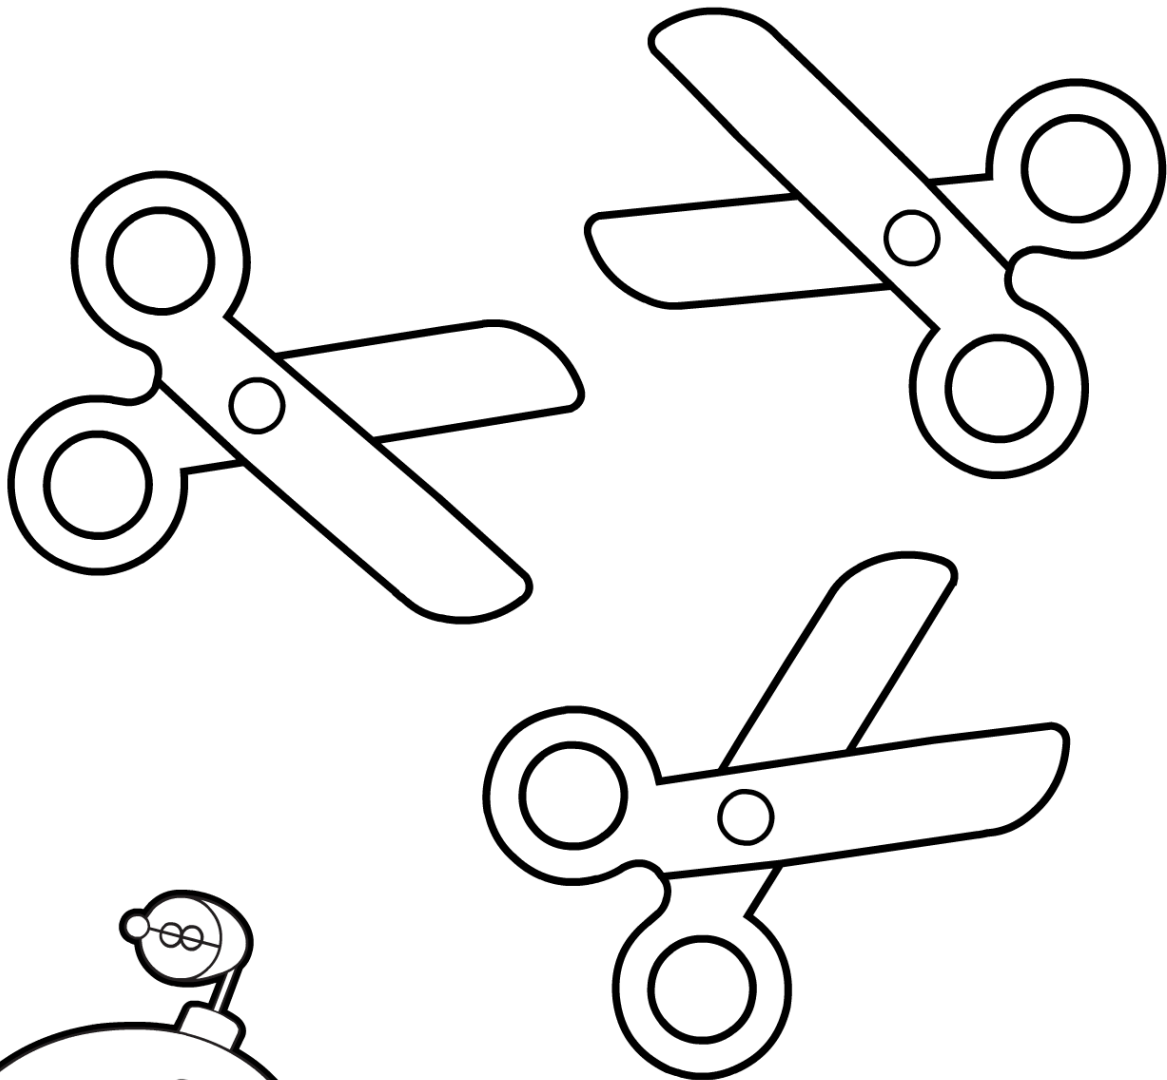

1 UMICAR

There's only 1 UmiCar
and he takes me to school!
How do you get to school?

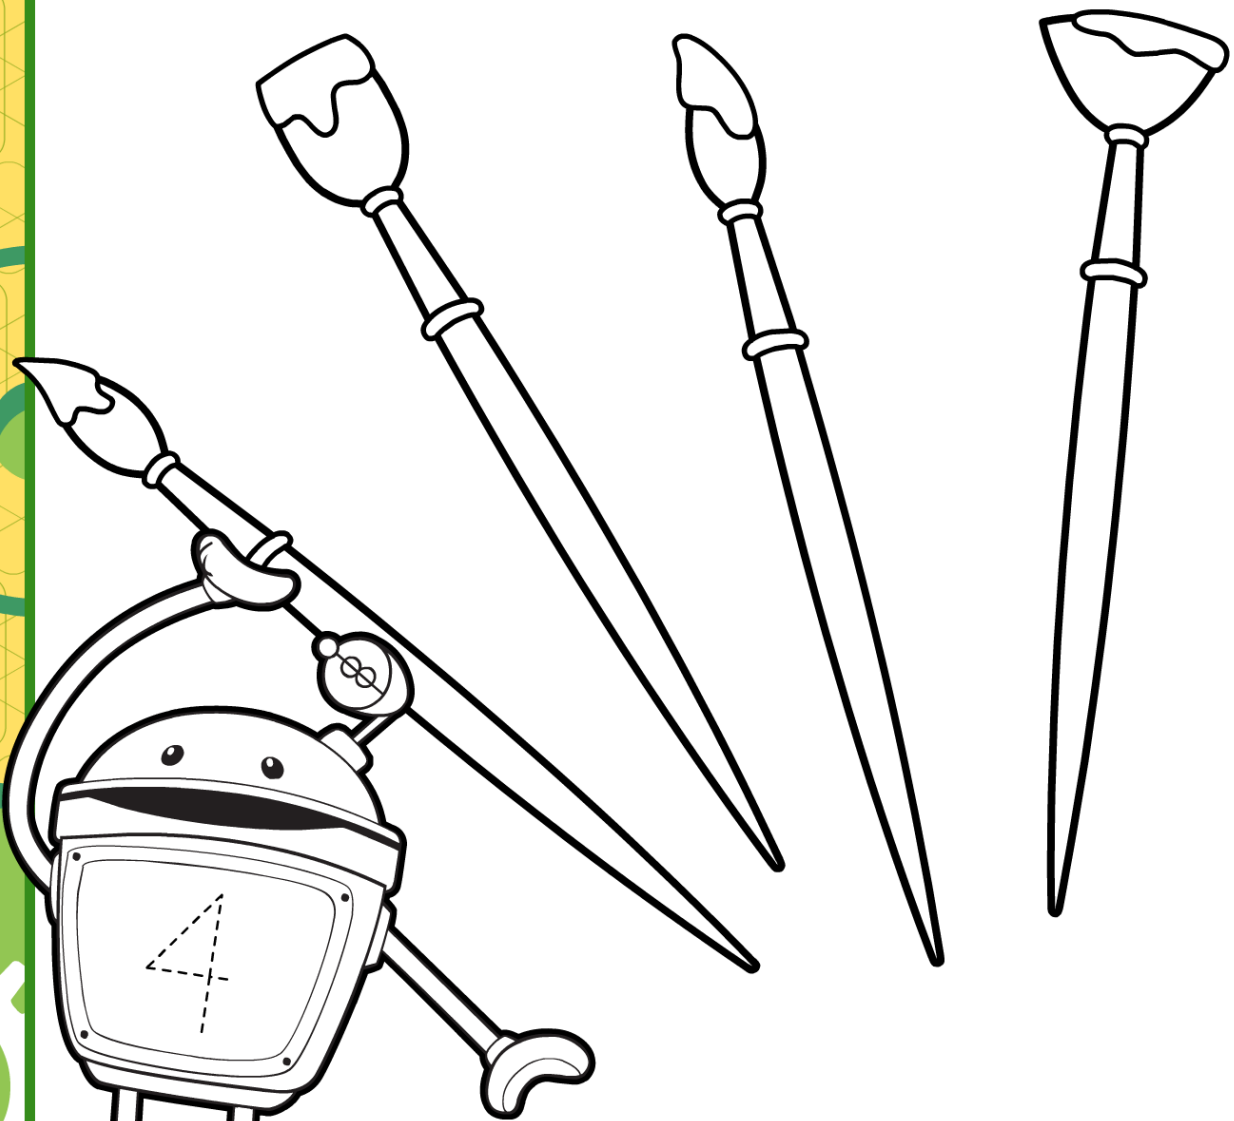

2 BEST FRIENDS

I can't forget my two best friends,
Milli and Geo. They can't wait!
Who are your best friends
at school?

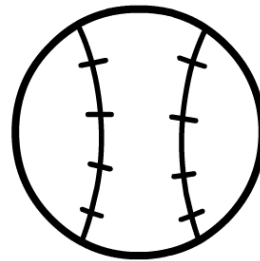

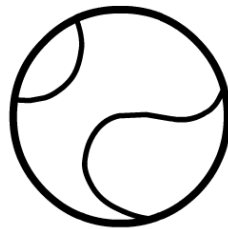

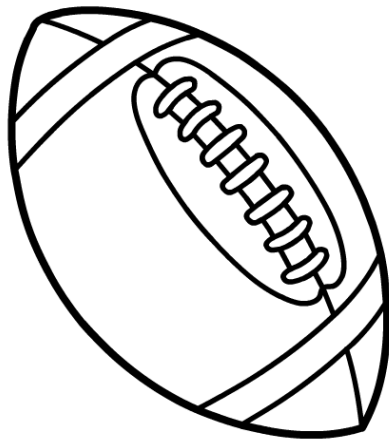

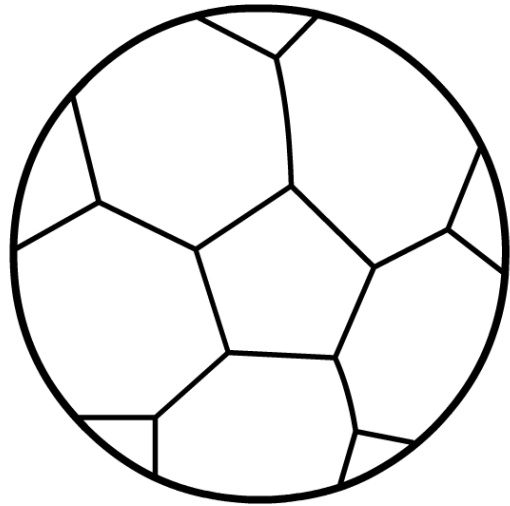

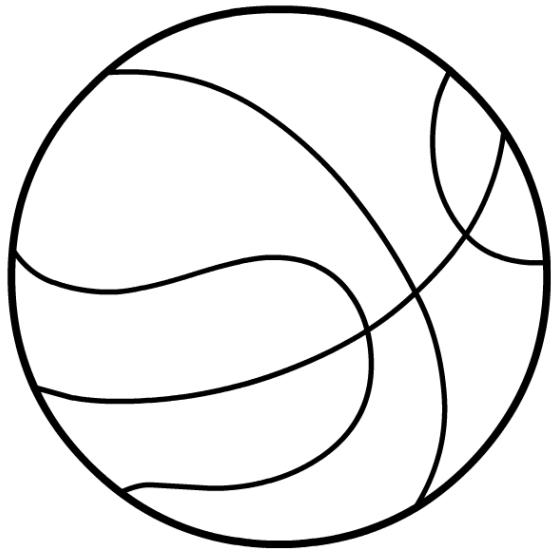

3 SCISSORS

Milli, Geo, & I each need a pair of scissors for our arts and crafts project. How many pairs of scissors do we need all together?

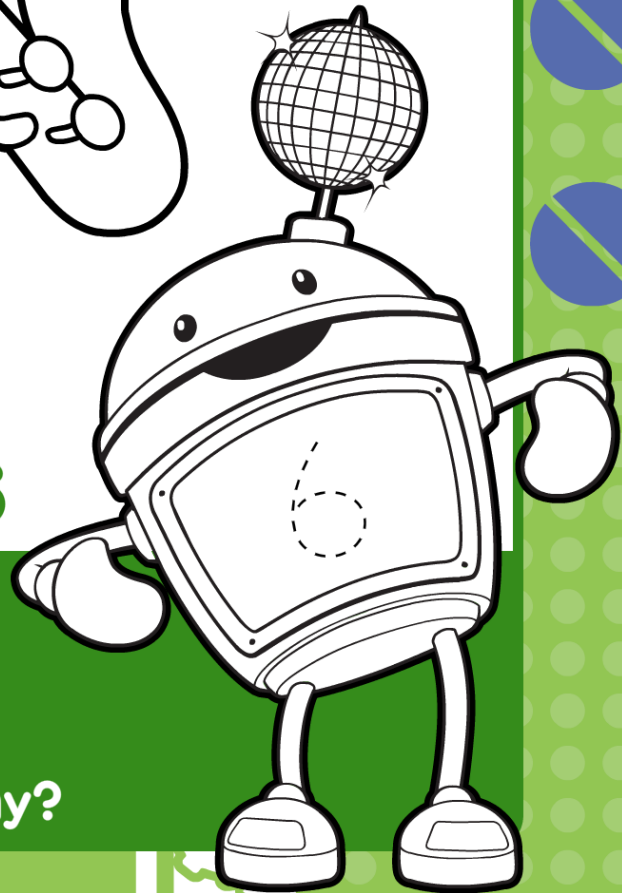

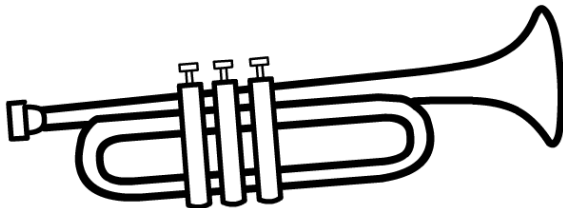

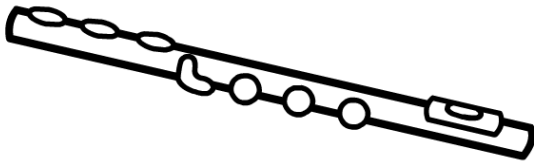

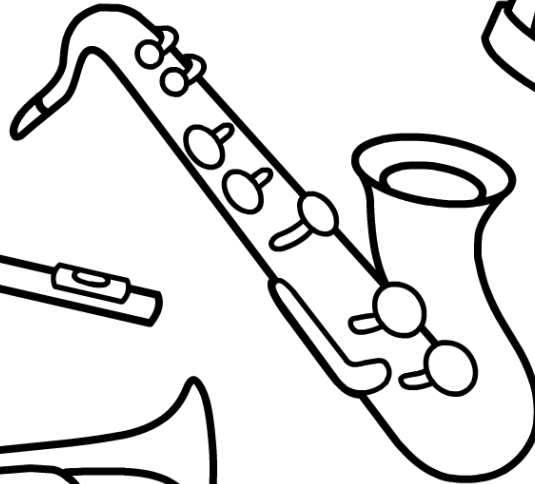

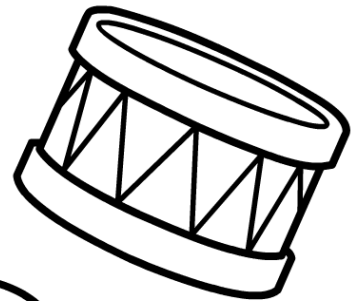

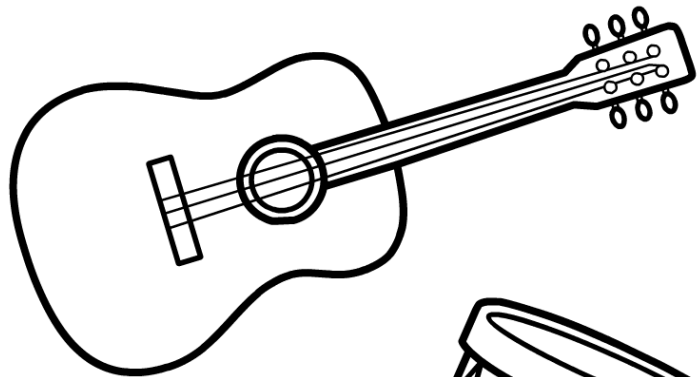

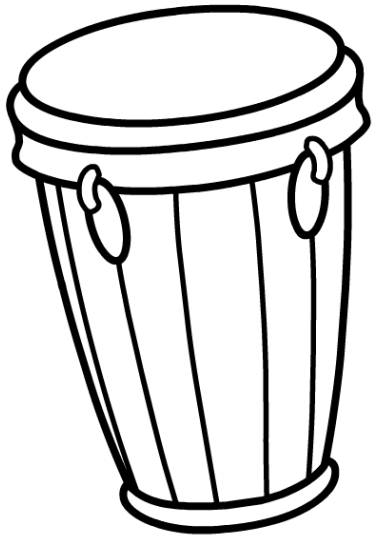

4 PAINTBRUSHES

It's painting time!
How many paintbrushes
do you see?

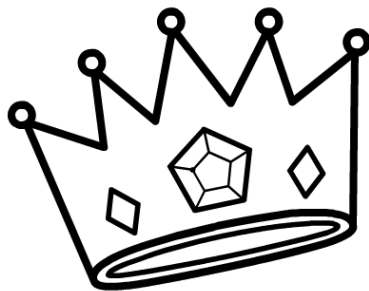

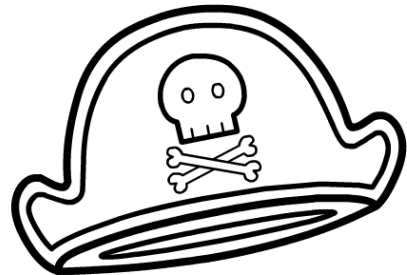

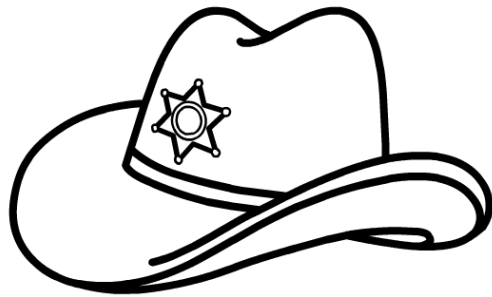

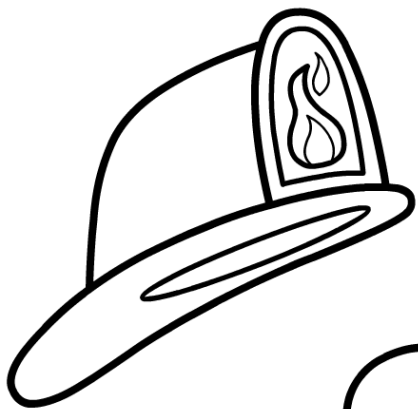

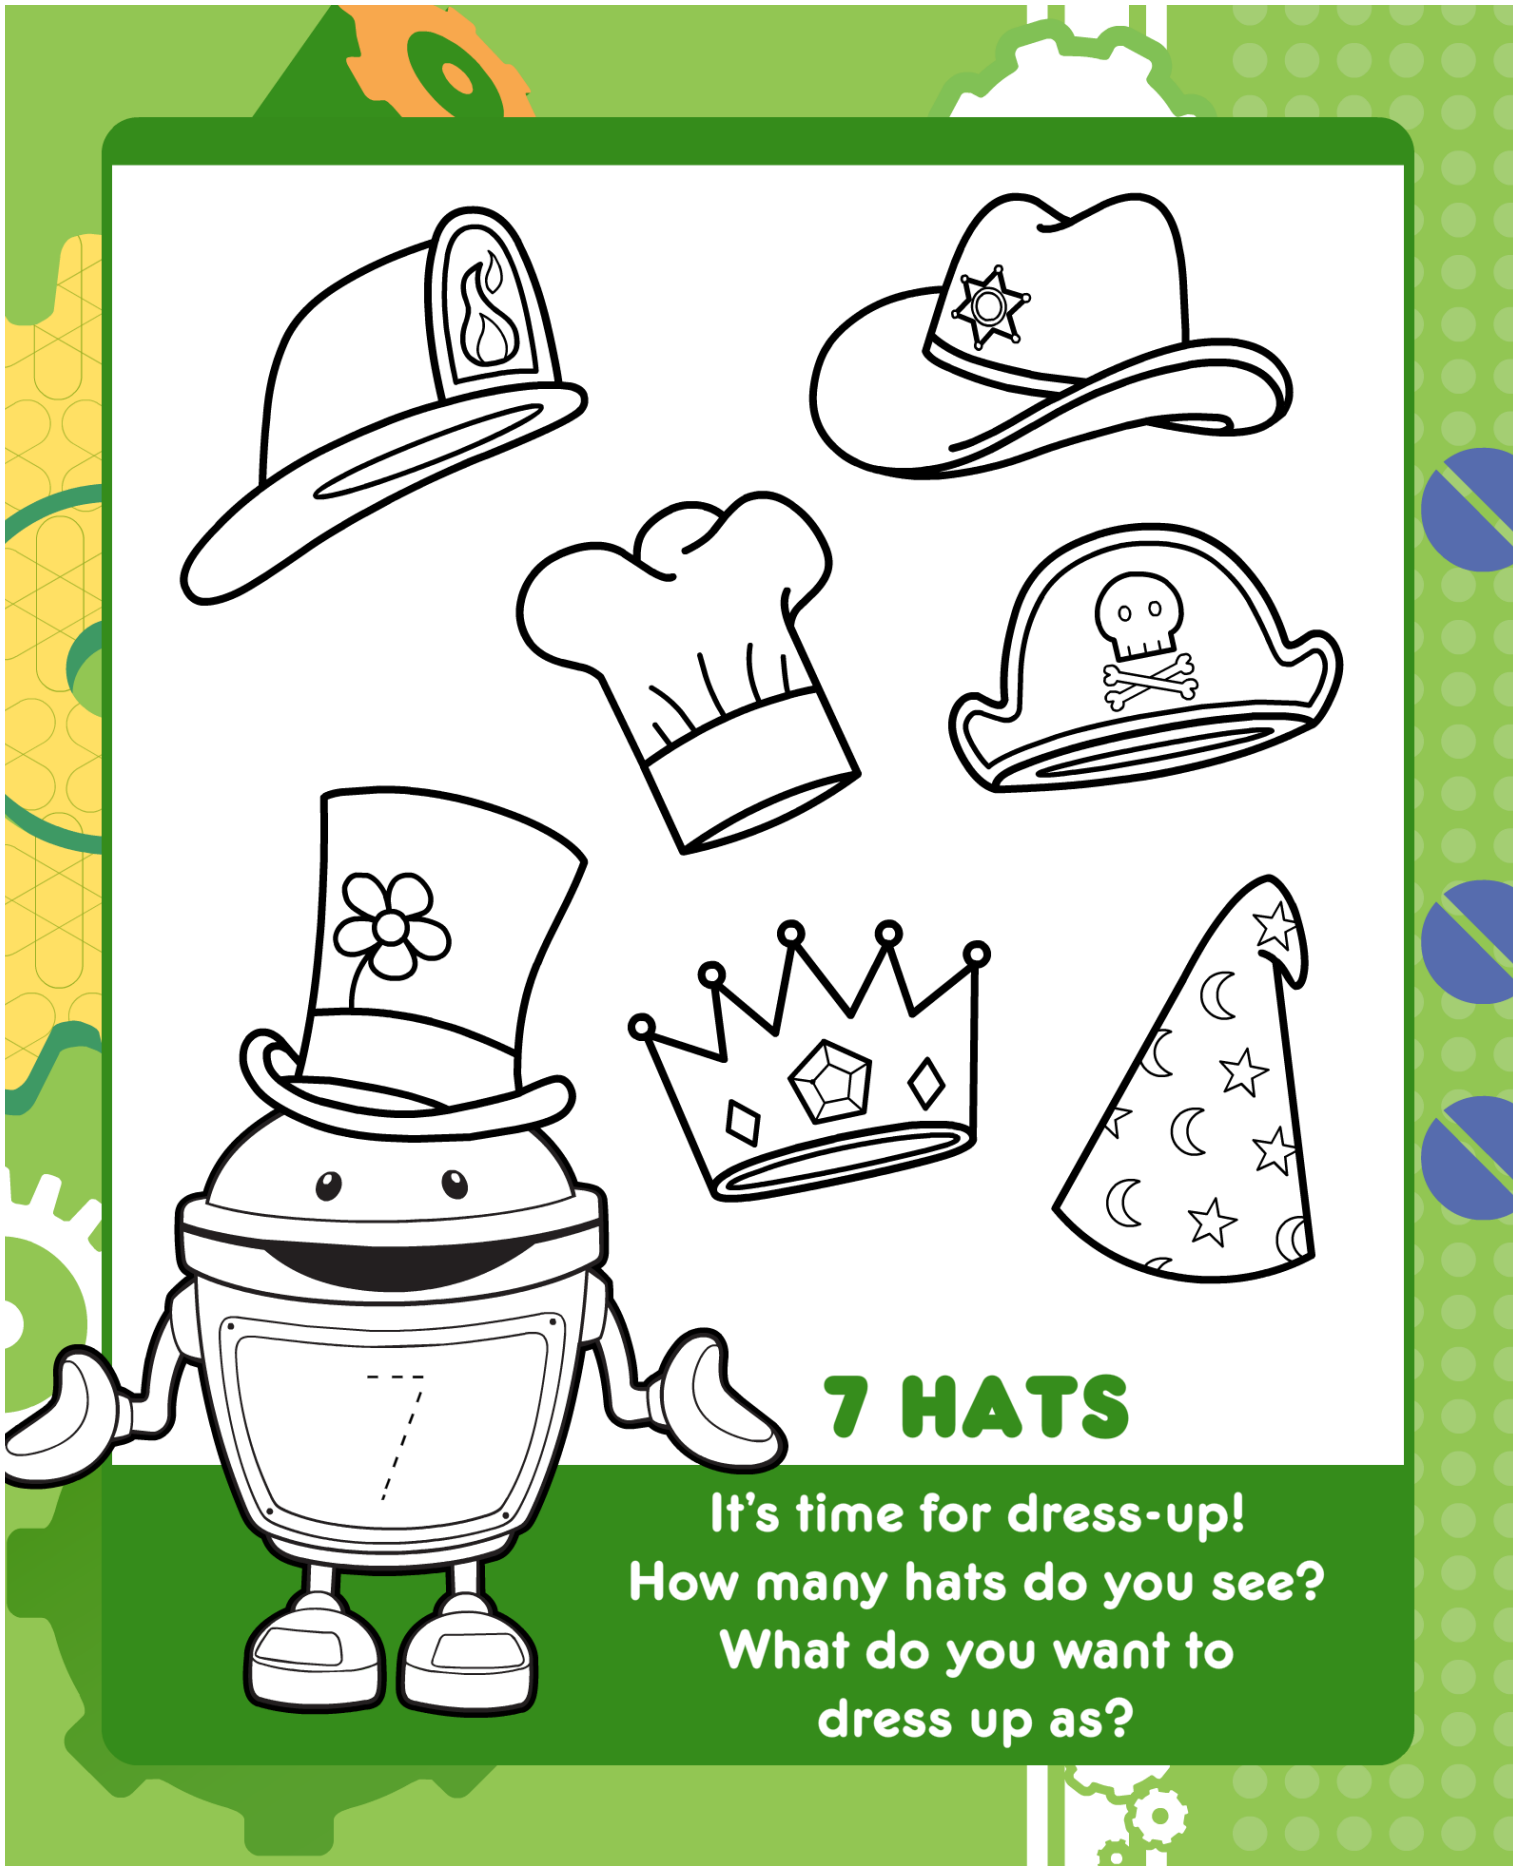

5 BALLS

Want to play a game?
Look at all these different kinds
of balls. How many are there?

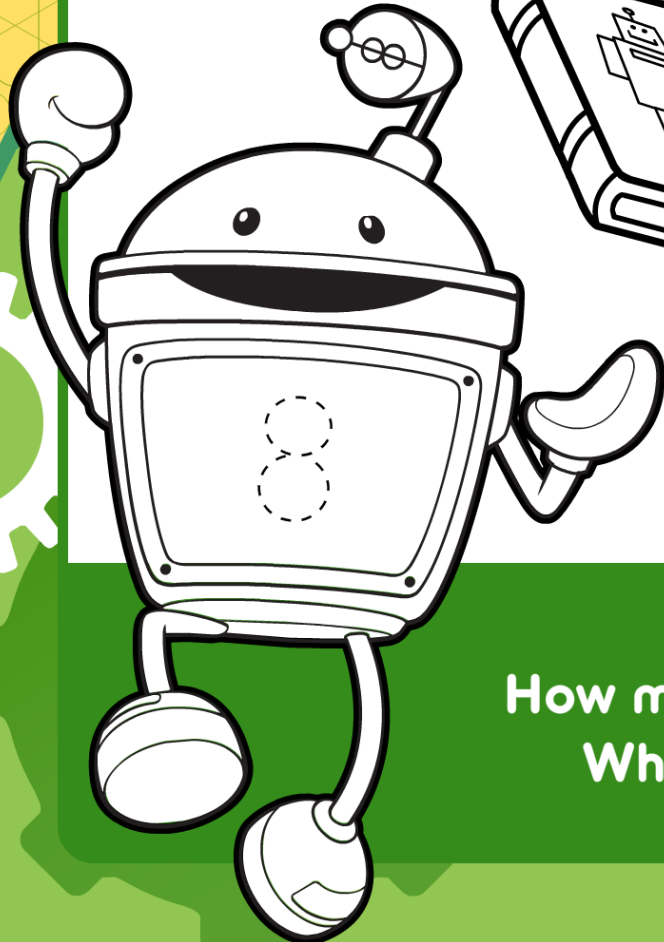

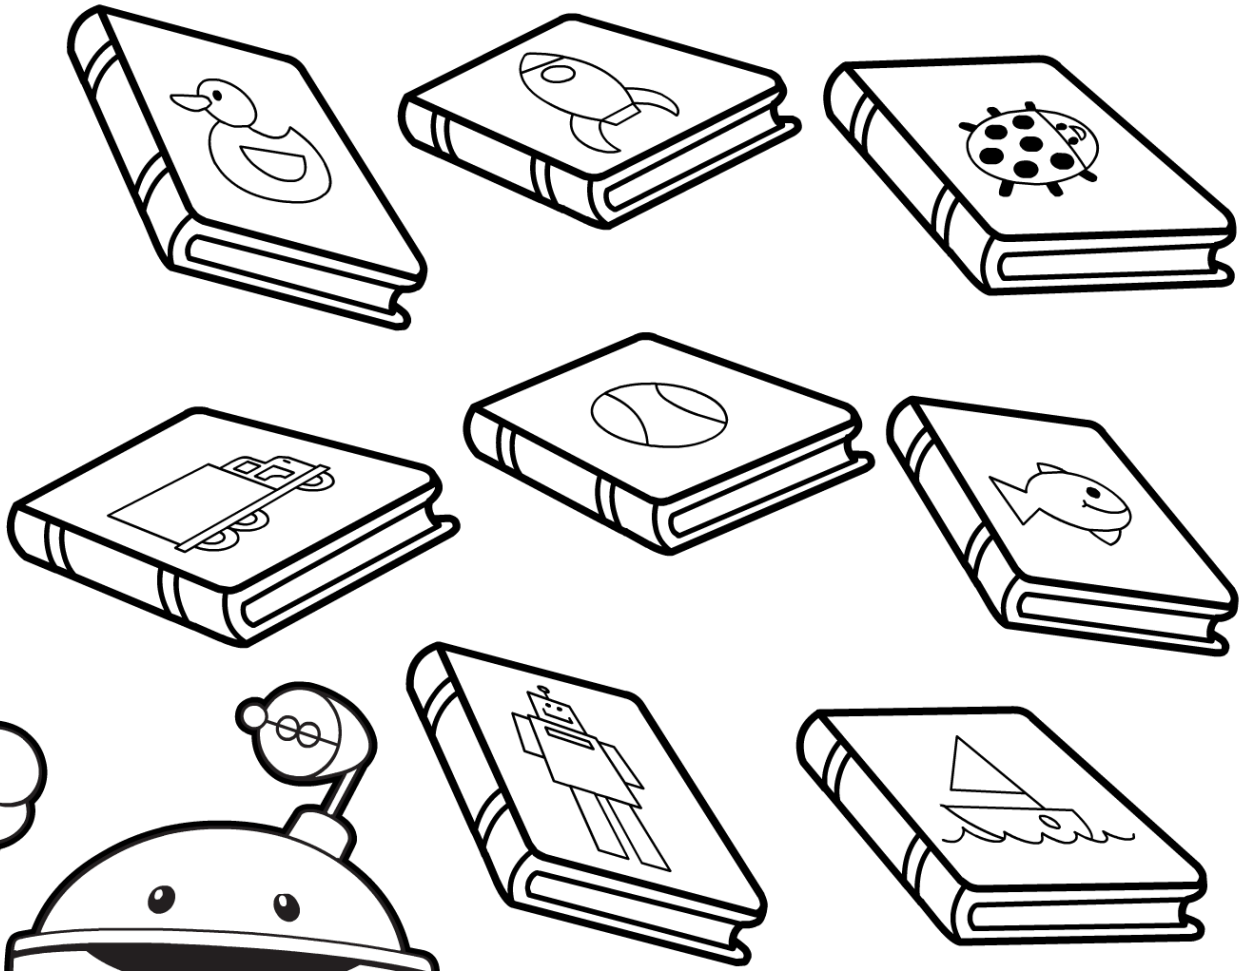

6 INSTRUMENTS

Let's make some music!
How many instruments
are there in all?
Which one do you want to play?

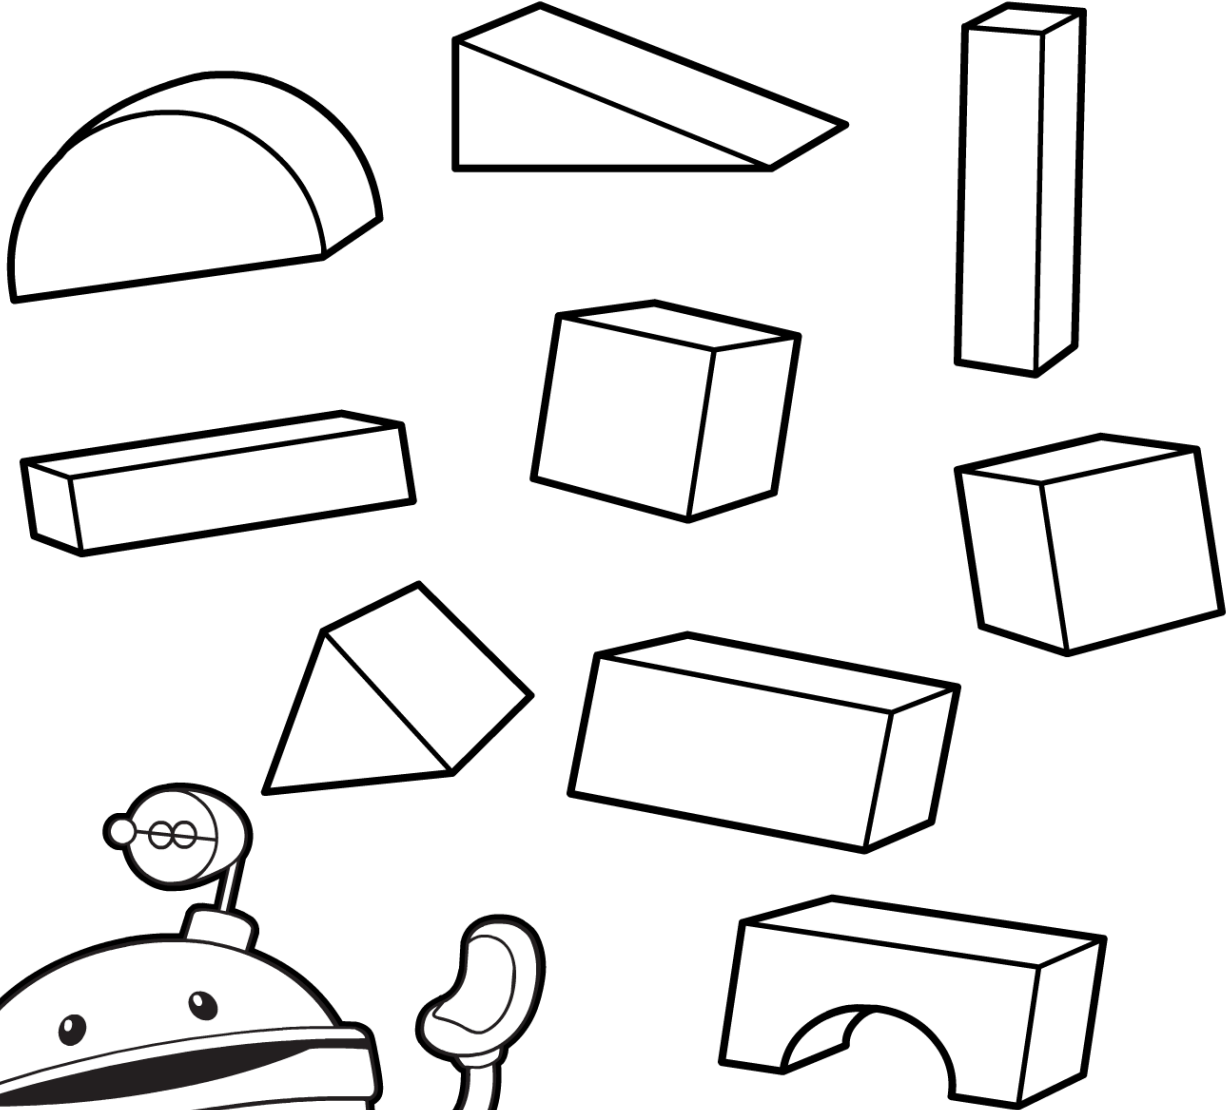

7 HATS

It's time for dress-up!
How many hats do you see?
What do you want to
dress up as?

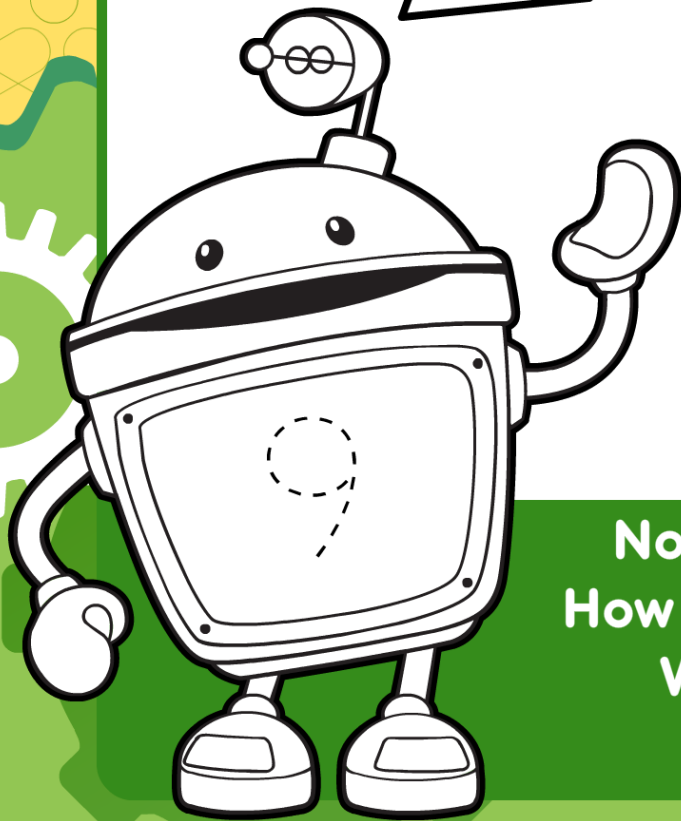

8 BOOKS

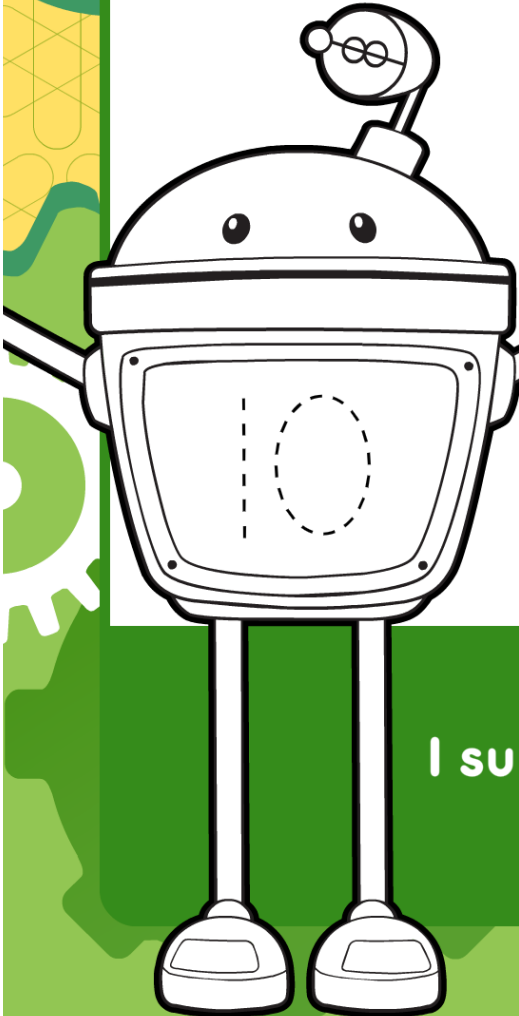

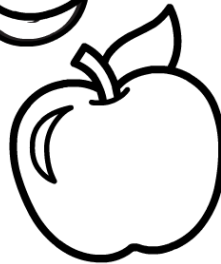

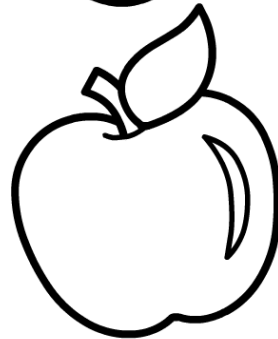

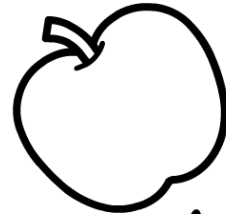

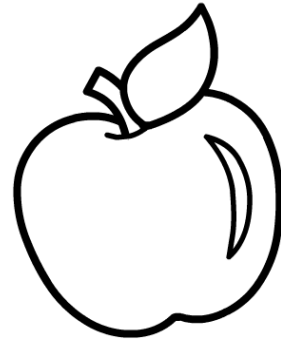

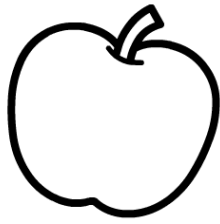

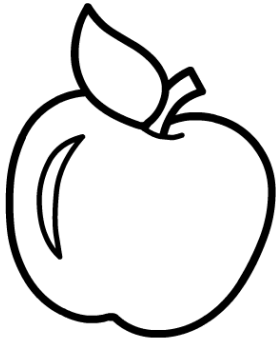

It's story time!
How many books are there in all?
Which one's your favorite?

9 BLOCKS

Now let's play with blocks!
How many blocks do we have?
What should we build?

10 APPLES

**Great Gizmos! It's snack time!
I sure am hungry after all that playing.
How many apples do we have?**
