

TEAM TURTLE NINJA KIT

GREETINGS, NINJA

And welcome to Team Turtle. As an official member, you will be the first to receive never-before-seen videos, games and behind-the-scenes footage from Nickelodeon's Teenage Mutant Ninja Turtles. In addition, only members of Team Turtle will receive a subscription to the official newsletter.

Contained in this handbook, you will find everything you need to begin your journey as an honorary Turtle:

- OFFICIAL TEAM TURTLE ID
Never leave home without it
- TURTLE MASK
Design this to reflect your inner strengths
- TEAM TURTLE CREST
Print this and iron it on to your favorite T-shirt

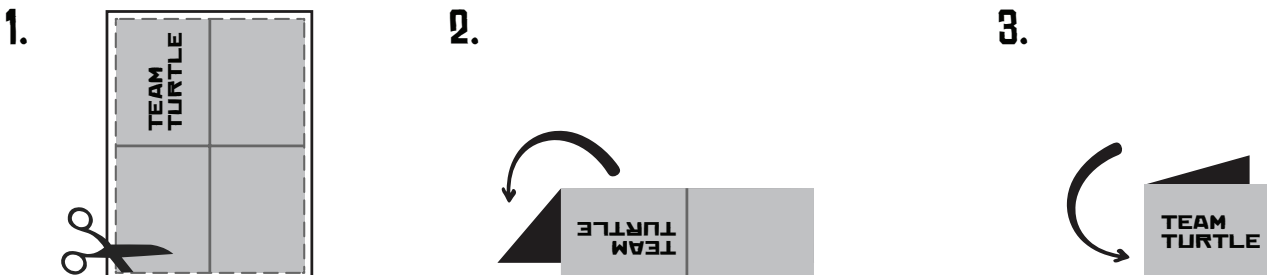

Remember, being a ninja comes with considerable challenges, for the path to greatness is not always easy. As wise Master Splinter once said, "a ninja's domain should be in the shadows. For that is where light is needed most."

Peace, Love and Pizza,
SENSEI
