

DIY SPONGE BOAT

MATERIALS

You'll need: printable, foam paper, straw, sponge, two rubber bands, scissors, hot glue gun

1

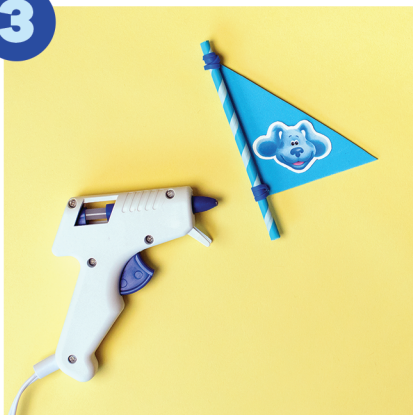

Wrap two rubber bands around the straw.

2

Cut a triangle out of foam paper and Blue's face out of the printable.

3

Attach the printable cut out onto the foam triangle to decorate your flag. Glue finished flag to the straw.

4

Cut a small hole into the middle of the sponge. Insert the straw into the sponge. Put in water and watch it float!
