

# DIY PARTY HATS

## MATERIALS

What you'll need: construction paper, string, scissors, glue stick/hot glue, printable stencil

1

Use the printable stencil to cut the hat out of construction paper.

2

GET A  
GROWN-UP  
TO HELP!

Cut ears out of construction paper using the printable stencil.

3

Roll the hat into a cone shape and glue together. Cut out spots and glue them on the hat and the ears.

4

Attach the ears to either side of the hat. Add string to the base of the hat.

5

Make a Blue & Magenta party hat!
