SIR STEEL'S ROCKETS

Follow these steps to make your very own rocket ship to defeat Sir Steel!

1

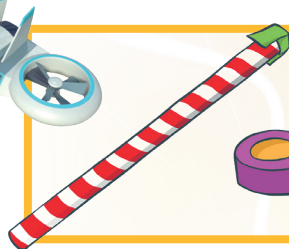

Color and cut out the rocket template.

YOU WILL NEED:

- Wide paper straw
- Narrow paper straw
- Tape
- Colored markers
- Scissors
(don't forget to only use these with a grown up!)
- Rocket template

2

Using tape, seal one end of the wide paper straw.

3

Turn the rocket over and attach the wide straw with tape.

4

Slip the narrow straw inside the wide straw, now you're ready to go.

5

Give the narrow straw a big puff of air and watch your rocket take off!
