

# TALKING TO KIDS ABOUT CURRENT EVENTS: EARTHQUAKES

Natural disasters can leave kids feeling scared and uncertain. Here are some resources that can help you navigate conversations about natural disasters with your kids and ways to support the people and places in Venezuela impacted by these earthquakes.

## TALKING WITH KIDS ABOUT NATURAL DISASTERS

[Earthquakes: Taking Care of Your Children & Yourself](#) - American Academy of Pediatrics

[Talking to Kids About Earthquakes & Other Natural Disasters](#) - American Academy of Child & Adolescent Psychiatry

[Helping Children After A Natural Disaster: Tips for Parents and Educators](#) - National Association of School Psychologists

## LEARNING ABOUT EARTHQUAKE SAFETY

[Earthquake Safety](#) - American Red Cross

[Earthquake Safety Information](#) - UNICEF

## WAYS TO HELP
